#### PRODUCT SUITABILITY

##### WHO IS THE PRODUCT SUITABLE FOR?

The Fund is only suitable for investors who:

- seek capital appreciation and current income by investing in a diversified portfolio of equity and debt securities worldwide and benefitting from four investment strategies; and
- plan to hold their investment for the medium to long term.

The principal may be at risk.

##### Further Information

Refer to “Fund Information, Objectives and Investment Policies” of the Luxembourg Prospectus.

#### KEY PRODUCT FEATURES

##### WHAT ARE YOU INVESTING IN?

- You are investing in an open-ended collective investment scheme constituted in Luxembourg as UCITS that aims to provide you with capital appreciation and current income by investing in a diversified portfolio of equity and debt securities worldwide and benefitting from four investment strategies.
- Under normal circumstances, you will receive regular distributions out of income depending on the distribution share classes you are investing in. Any distributions out of capital will reduce the NAV of the Fund.

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Singapore Prospectus, and the “Dividend Policy” section of the Luxembourg Prospectus.

#### Investment Strategy

- The Fund will invest in equity securities of companies of any size located in any country, including emerging markets, and in debt securities and debt obligations issued by governments, government-related entities and corporations located in any country.
- It may also invest, amongst others, in (i) debt obligations of supranational entities organized or supported by several national governments, and (ii) mortgage- and asset-backed securities (limited to 10% of its net assets).
- The Fund can use derivatives for hedging, efficient portfolio management and investment purposes.
- The Fund allocates its net assets between four investment strategies – namely, two global equity strategies (focusing on securities of companies that are leaders in innovation, take advantage of new technologies, amongst

## GLOSSARY

|                               |                                                                                                                                                                                                                                                                                                                   |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Dealing Day</b>            | : means each day which is both a Valuation Day and a Singapore Business Day, or otherwise as the Directors may from time to time determine.                                                                                                                                                                       |
| <b>NAV</b>                    | : means Net Asset Value.                                                                                                                                                                                                                                                                                          |
| <b>Singapore Business Day</b> | : means a day (except Saturdays, Sundays and public holidays) on which commercial banks are open for business in Singapore.                                                                                                                                                                                       |
| <b>UCITS</b>                  | : means an undertaking for collective investment in transferable securities.                                                                                                                                                                                                                                      |
| <b>Valuation Day</b>          | : means a day on which the New York Stock Exchange is open for normal business (other than during a suspension of normal dealing). Further information on the applicable Valuation Days for the Fund can be found on the website: <a href="http://www.franklintempleton.lu">http://www.franklintempleton.lu</a> . |
